Remarks

This stunning move-in ready home in the heart of Orlando offers a plethora of features that are sure to captivate buyers. The oversized lot provides ample space for outdoor activities and relaxation. The above-ground pool and deck are perfect for enjoying the year-round sunshine. The tropical plants and water features create a serene outdoor oasis. Some notable updates include a new roof(2023), Insulated radiant barrier in the attic and solar attic fan, Whole house repipe(2022), LPV flooring and solar panels, which can help reduce energy costs and a new Solar water heater(2022). The Florida room adds additional living space and allows for seamless indoor-outdoor living. The home has been freshly painted both inside and out, giving it a fresh and modern feel. Fish enthusiasts will appreciate the beautiful built-in tank, adding a unique and tranquil element to the home. All bedrooms come equipped with built-in closet systems for optimal organization. The kitchen features a reverse osmosis water purifier, ensuring clean and pure drinking water. The updated kitchen and bathroom contribute to the overall modern and stylish aesthetic of the home. Convenience is also a highlight, as the property is located close to major highways, shopping centers, Universal Studios, and the convention
